Denzil

ISA Support Mentor - Gold Coast

ABOUT ME

Hi, my name's Denzil!

I enjoy nature and wildlife and my hobbies include painting, reading, travel, music, gaming. I also love to get out and about with my wife and dog to explore the beautiful region of the Gold Coast.

I cook and I clean, and I hope to use my skills and interests to connect with my clients in order to provide the best possible support as suited to them.

EXPERIENCE

Previously I have worked with hiring companies in a community access role, helping clients to build the confidence to establish their independence.

I'm interested in using my past experience to provide community access, daily living, and employment support to people with disabilities.
