ISA Support Mentor - Brisbane

### EXPERIENCE

In the past I've cared for my cousins with autism, which has taught me patience and understanding. I focused on creating a calm environment and using clear communication to connect with them. I've learned the importance of empathy and adaptation, and I'm eager to apply these skills in a professional setting.

## ABOUT ME

Hi, I'm Charles!

I spend my free time training in MMA and surfing. I also hit the gym regularly to stay in shape and really enjoy staying active and just soaking up the outdoors whenever I can! I hope to bring my passion for an active lifestyle to participants to help them get out and about and start living their best life.
