ISA Support Mentor - Gold Coast

ABOUT ME

Hi, I'm Jodie-Lee!

I love to get out and about in the community, and some of my favourite things to do include going for walks along the beach, working out at the gym, going shopping, or going to see a movie.

I'm excited to help NDIS Participants get amongst the community and start living their best lives!

EXPERIENCE

While I'm new to providing NDIS support, I have past experience in helping youths and children with special needs, back by personal life experience.

I'm a highly organised and energetic person well-suited to making sure participants under my care are making the most of their time!
