ISA Support Mentor - Logan

ABOUT ME

Hey there, I'm Elijah!

I enjoy online gaming, listening to music, and sports. I also like to take my dog for a walk and see some nature, while also hitting the gym now and then.

People have called me friendly and outgoing, and I'm keen to bring my positive attitude to help support people with disabilities in and around Logan.

EXPERIENCE

I've had past experience helping with community events as part of the church youth group, taking on youth leader roles, which I believe is a great basis of skills to communicate and support young participants.

I'd like to help my clients with basic living skills, such as budgeting, employment, and daily living.
