ISA Support Mentor - Brisbane

### ABOUT ME

Hi, I'm Vienna!

My aim is to provide clients all the assistance they require with day-to-day living including employment support and community access.

I am a mother of 5 and a business owner. I enjoy going to the gym, music festivals and travelling back home to NZ. I love to spend leisure time with family and close friends.

### EXPERIENCE

My family have a strong background in the healthcare sector. It's because of this that I have always had a passion for Community Work.

I have since volunteered in various community groups and am keen to put my skills to use helping NDIS Participants throughout South-East QLD.
