## ABOUT ME

I'm Toni!

I've just recently started my career as a disability support worker, which is very exciting! I love to get out and about, including taking my dog for a walk and going to the beach to enjoy nature.

I'm keen to help some NDIS Participants in South-East QLD get amongst it and start living their best lives!

## EXPERIENCE

I'm new to the field of disability support, but have previous experience helping to support my nan who struggled with mental health.

In my previous hospitality role, I've supported people with many different disabilities, including autism, deafness, and down's syndrome.
