ABOUT ME

Hi, my name's Chloe!

I have been living in Brisbane for a little over 2 years now. I love watching movies or playing board games, as well as spending time with family and friends at BBQ gatherings or camping, having many laughs.

I am very excited to transition into disability care as I have grown up with my younger brother who has autism. He has taught me a lot in the way of disability and it has been a joyful and rewarding experience so far!
