Jeannie

ISA Support Mentor - Marsden

ABOUT ME

Hi, my name is Jeannie!

I've been a stay-at-home mum for the past 12 years, and in this time I have looked after 5 beautiful children who have kept me happy!

I am an absolute homebody and love doing things around the house. With this experience I aim to help NDIS participants achieve independence in their Daily Living tasks.

EXPERIENCE

Though I am new to the disability support industry, I have much personal experience caring for people that are dependent.

I'm excited to help NDIS participants across South-East QLD live their best lives and achieve their goals in Daily Living and Community Access.
