ABOUT ME

Hello, you can call me Sasha!
I was just a girl who migrated from Zimbabwe in the hopes to change the world one day, but I got something better instead; changing the lives of the people I support.

I love basketball NBL -Sydney Kings
NBA-Lakers. Fun fact, I have actually worked for the Sydney Kings! I am actively involved with community health and mentorship for the youth and am keen to bring my skills to people around South-East QLD!
